Re: 30th Birthday Catering

Dear Christine O'Brien,

Thank you so much for the amazing meal you prepared for my 30th birthday bash at the National Film Board's headquarters here in Toronto! You listened to what I wanted served for my guests and executed my wishes perfectly, adding in some fantastic extra touches to make it a magical night.

You know you've had the perfect party when the guests have fun and have fun indulging in the foods available to them!

I can't wait to work with you again and will happily recommend you to anyone I know with an upcoming event.

Sincerely,

Kelly Aija Zemnickis
